Protective Behaviours Training & Child Sexual Exploitation Awareness Raising for Northamptonshire Schools 2015/16

Protective Behaviours
Training Partnership

Offer to schools through the Northamptonshire Educational Psychology Service. No charge to schools - funded by NCC & NSCB.

- 2 Days PB Foundation Training course for the Head/Deputy Head/ Designated Safeguarding Lead and PSHE Coordinator in your school (2 people) with a focus on CSE on Day Two.
- Free resources for your school to teach PBs in each year group in Primary Schools to the value of £100, 'Taking Care Pack' from Warwickshire with lesson plans for each year group.
- Free resources for Secondary Schools to address CSE and learn about healthy relationships, 'Real Love Rocks,' £95 from Barnardo's. Suitable for years 7-9.
- Free Drama workshop for Secondary Schools from Chelsea's Choice, University of Northampton.
www.alteregocreativesolutions.co.uk/chelseas-choice
- Defining CSE, spotting the signs and using the Northamptonshire Tackling CSE Toolkit to help your school develop your policy, practice and awareness of more resources for staff, pupils and parents.
- A career development opportunity to be part of a team of Specialist PB Practitioners, supporting good practice in schools across the county to help our children feel safe and empowered to talk with someone when they don't feel safe.

Northamptonshire
Safeguarding Children Board

PB Foundation Training and CSE Awareness 2015/16

Training will be delivered by trainers from the Protective Behaviours Training Partnership with support and input from John Fardon – Education Entitlement Officer – Mental Health, Educational Psychology Service, Learning Skills & Education, Northamptonshire County Council.

Who is eligible for this training? The Head/Deputy Head/Safeguarding Lead and PSHE Coordinator for each school are invited to attend the two day course.

Each Foundation Training lasts 2 days. The first day will cover the whole process of Protective Behaviours, the two themes and seven strategies. The second day will recap the process, consider PB & CSE materials, develop CSE awareness and clarify what can be delivered to each school by the participants. Each pair of participants will receive a Powerpoint presentation on PBs and CSE and are expected to share these with staff and use the resources in their school. 10 schools can be accommodated on each course, creating capacity for training 120 schools from September 2015 – April 2016. It is hoped that funding will be available to train more schools in 2016/17.

Participants to bring their own lunch. Tea, coffee and biscuits will be provided. Sessions start at 9.30am and finish at 4.30pm.
